1st Floorplan

The Seattle offers luxury and practicality. The expansive entry welcomes you into the home. The large kitchen is filled with cabinets and an island. The dinette is enlarged with a double cantilever window for an incredible view. The living room has a formal dining area which opens to a rear deck. The master bedroom is expanded with a bath and walk-in closet. The U-shaped stairway opens to the lower level and the garage is moved forward to allow for a workshop area or extra storage.
