1st Floorplan

The Kennedy is a large ranch with an optional fourth bedroom or study. The living areas are at the center of the home and are open from the front to the back taking advantage of your great location. The dining room is showcased off the foyer with easy access from the kitchen. The kitchen is 4-sided with an eating bar either off the great room or the nook. The great room has a 9' sliding patio door to the rear and an area for a fireplace and added cabinetry. The bedrooms are placed at the ends of the home with their own baths for added privacy.
