1st Floor Plan

Step into the entry and be drawn through into the spacious living room by the French doors and windows overlooking the yard. The L-shaped kitchen is to the front of the house with an eat-in dining area to suit today's families. With three bedrooms, two baths, and main floor laundry room; this floor plan maximizes the square footage and still fits the lot.

Plans and elevations are artist's conceptions and may vary from standard plans. Homestead Homes of America, Inc. reserves the right to modify plans and designs without notice. RV 3/23
