

# Abbott

1247 sq. ft.

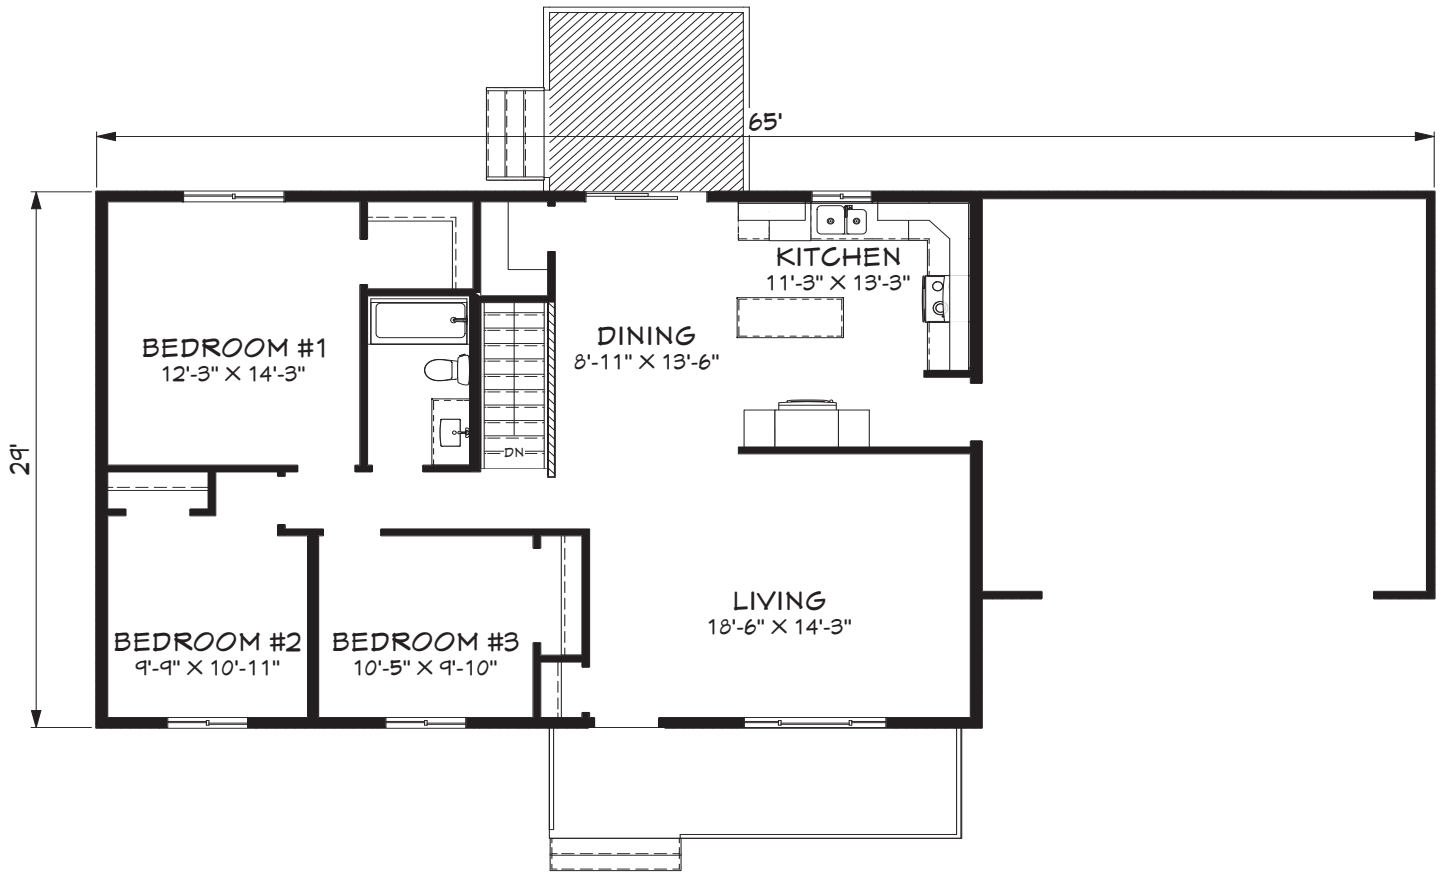

1247 sq. ft.

Master Bedroom

Kitchen/Dining

1st Floorplan

The Abbott is a compact, efficient plan with a low square footage that makes it budget friendly. The Abbott still provides plenty of storage with a large pantry, walk in master closet, and a good sized kitchen. An open living and dining room with a wall separating the kitchen giving the plan a more homey feel.
